Hartley's Lagoon

A 20 minute boat ride

Please make your way to the Departure Area five minutes before your allocated cruise time.

Explore the natural habitat of the Estuarine Crocodile in safety on our specially constructed vessels. Learn about the importance of melaleuca wetlands and admire the crocodile's hunting skills during the pole feed. Crocodile sightings are guaranteed!

Wildlife Discovery Trail

720m loop

Meet some large Estuarine Crocodiles including Gregory, a 750kg monster! Compare the physical differences between Estuarine (Saltwater) and Australia's Freshwater Crocodile. Marvel at the colourful birds in the aviary and study the prehistoric looking lizards and turtles. See colourful snakes and lizards at the reptile display – *Gallery of Living Art*.

Gondwana Gateway

650m return

A walk-through sanctuary, home to kangaroos, wallabies and native bird life. Follow the path into the forest to discover some interesting native animals, including fruit bats and wombats. The interpretative signage explains how isolation and adaptation over millions of years shaped Australia's marsupials and reptiles.

Cassowary Walk

470m return

The pathway descends into a riparian rainforest growing along the banks of Tin Creek. Beyond the Cassowary enclosures, a pathway leads to the Predatory Bird Walk-Through Aviary and Rainforest Restoration Area.

Crocodile Farm

280m return

Access by guided tour only. Tour departs Farm Information Display at 9.00am & 1.00 pm daily.

Learn how a commercial crocodile farm works and why sustainable utilisation is important for the crocodile's long term survival. Eggs collected on site are artificially incubated. After hatching, the crocodiles grow to 1.8m within 3 years.

ADVENTURES

Welcome

COMPLIMENTARY PARK MAP

Your compliance with our
COVID SAFE PLAN
is for your safety and
the safety of others.

Government directives may restrict activities,
capacity and/or service without notice.
Thank you for your understanding.

Without question, Hartley's Crocodile Adventures is the best place to see crocodiles and local wildlife in North Queensland. Throughout the day, our professional wildlife keepers present a series of conservation themed educational activities.

The ecotourism experience extends far beyond presentations to self guided walks with informative signage, botanical walks and adventure boat rides.
