Get Wild!

Let us take you on a journey of discovery into the ‘wild’ world of Australian native and exotic animals. Nestled in the picturesque Wangetti Valley, in the heart of the Wet Tropics World Heritage Area you will see crocodiles in a natural melaleuca wetland lagoon; cassowaries in a rare riverine rainforest; kangaroos and emus in an expanse of woodland; free-flight parrotary birds; iconic marsupials like koalas and wombats; colourful reptiles from abroad, plus our sustainable crocodile farm.

Harley’s Crocodile Adventures has something for everyone with a passion for nature and wildlife. Our dedicated team delights in imparting their knowledge and sharing insights and stories about the natural world and how to be safe in croc territory. The daily presentations strike the balance between entertainment and meaningful content.

This family-owned, local business is widely recognized as one of Australia’s leading nature-based eco-adventure experiences. Harley’s is accredited by Ecotourism Australia and has been the recipient of many awards and accolades for outstanding tourism achievements and ground-breaking sustainable architecture.

The visitor experience has been enriched with the recent opening of the Gallery of Living Art refuge exhibit and Cotton Top Tamarin display.

After exploring the 2500 metres of boardwalks and pathways, take time to relax at LIKEs licensed restaurant where you can enjoy a coffee or dine on delicious food while overlooking Harley’s Lagoon. Harley’s Breakfast with the Koalas – now available daily from 8:30 am. Pre-booking required.

The retail therapy at the Paper Bark Gift Shop will thrill the senses with its range of high-quality crocodile skin leather goods manufactured from crocodiles raised on-site. The bespoke handbags and accessories are produced in small batches, featuring gorgeous colours and custom designs.

Above all else, Harley’s Crocodile Adventures is a great day out!
