

# NORTH QUEENSLAND WILDLIFE TRUST

*Help us to help save  
our precious wildlife!*

Since its establishment in 2004, the North Queensland Wildlife Trust has funded a multitude of conservation projects.

To name a few, the Trust has restored Cassowary habitat in the Daintree, funded research into the Northern Bettong, assisted the Turtle Hospital and helped with wildlife rehabilitation after the 2019 bushfires.

*Please give generously at the donation boxes.*
